WORKING EXPERIENCE

IT SUPPORT ENGINEER

Jade E-Services Malaysia SDN BHD (ZALORA) | July 2018 to January 2019

- Install, configure and maintain hardware and software including troubleshooting laptop/desktop issues raised by staff through Zendesk Help Desk Ticketing System.
- Assigned to one of IT Dept Projects to reduce electricity costs. For example, create a task scheduler for all workstations in the warehouse to auto-shutdown at a certain time.
- Assigned to identify faulty CCTV cameras in the warehouse via IP address stated in Camera Decoder(DVR) and identifying faulty Hard Drives for 5 Camera Decoders before providing the replacement unit.

IT SUPPORT ENGINEER(WEEKEND SUPPORT)

Jade E-Services Malaysia SDN BHD (ZALORA) | February 2020 to September 2021

- Troubleshoot faulty laptops and computers and provide IT Technical Support in troubleshooting workstation issues.
- Set up android mobile phones by using G Suite Mobile Device Management (MDM) to secure company assets and monitor end-user of company mobile devices.
- Involve in configuring Bartender software on the workstation for barcode UID printing generated by Order Management System to assign the item location within the warehouse.

JUNIOR ASSISTANT WEB DEVELOPER

MY INNOVATIVE WELLNESS SDN BHD | April 2021 to June 2021

- Assists in increasing Company Revenue by improving Search Engine Optimization (SEO) rating for the Company Sales Page.
- Assigned to improving website content to boost customer interest in the company products.
- Learn and discover the best front-end system for the Admin Warehouse system (Future Project).

INTERNSHIP

INTERN (ENGINEERING-TECHNOLOGY OPERATIONS)

Jade E-Services Malaysia SDN BHD (ZALORA) | October 2021 – March 2022

- Provide IT Technical Support towards IT issues raised by the staff through Freshservice Help Desk Ticketing System. For example, troubleshoot workstation issues or configure Microsoft Office software for administrative staff to monitor Productivity Refresh Tools (KPI).
- Set up new workstations by installing windows 10, company software including printer installation.
- Assigned to perform the weekly checklist to ensure all stations are fully equipped to run the operation smoothly.
- Liaise with the vendor for the computer replacement part.
